

Request of Official Transcript

Please have official registered transcripts from **each** institution mailed directly to the Certification Committee. Be sure to send the correct fee needed to have your transcripts processed. Use these forms or check with the institutions for the correct procedure to order transcripts to be mailed directly to Association of Ground Water Scientists and Engineers. If universities refuse to send the transcripts directly to us, please forward the transcripts in their sealed envelopes.

Permission is hereby given for my official registered transcript to be mailed directly

TO: **Certification Committee**
